

Home Run Baker May Wear New York Uniform--Touchard Reaches Finals of Both Singles and Doubles

DONOVAN GONE SAID TO BE AFTER BAKER

Rumor Has Him at Trappe, Md., Trying to Sign Retired Home Run King.

HUSTON WOULD LIKE HIM

Manager Bill Donovan of the New Yorks has not returned from Philadelphia, where he went Tuesday evening to attend a dinner given by the sporting writers of that city. It was at this dinner that Connie Mack announced that Frank Baker, the home run king, had decided to retire permanently from the game. (Donovan yesterday associated with Bill's absence with an effort on the part of New York to obtain the services of the great slugger.)

It even was rumored unofficially that Donovan had taken to the home of Baker at Trappe, Md., to try to make the third baseman change his mind and to see if he would consider playing in New York in case he has any grievance against the Athletics. Capt. T. E. Huston, however, said that he had no knowledge of such a play on Donovan's part.

"Of course," said the Captain, "I would like to have a player of Baker's worth upon my team, but I would not go to get him. I have no reason to believe that Mack would part with him. If it is a case of dissatisfaction with his present base club, he would be prepared to bid as high as any one to save him to the game. However, I am speaking only at random. I know nothing of Baker's mind save what I have read in the papers."

The Baker incident is one of the profound mysteries of latter-day baseball. J. Franklin Baker has no grievance against Connie Mack or the club, that he is retiring simply to pursue the simple life. But the fact that Mack has cut loose so many of his great veterans, Plunk, Bender, Collins and Coombs, is interpreted by the gossips as a sign of some internal dissension that might explain Baker's change of heart.

It has been well known for the last several seasons that Mack had difficulty in whipping Baker into line, but the latest move is believed to be due to differences in opinion as to salary. Connie had the same trouble with Plunk, and this finally led to an open rupture. Baker, it is believed, never before believed in the differences with players, as he has done upon this occasion. His announcement therefore seems to indicate a more serious breach than appears upon the surface.

BARROW STILL HAS FAITH

Seen Tender About Putting Jersey Club in the Bronx.

President Ed Barrow of the International League has not given up all hope of transferring the Jersey City club to the Bronx. He was in consultation with President Tener of the National League for several hours yesterday afternoon, and the official word will be given by the latter tomorrow. President Tener believes that there is no occasion for hasty action. Like most other baseball men, he believes the decision of Judge Landis may purge the atmosphere and, from his remarks, is anxious for further delay.

The executive of the National League appears to have no personal prejudice against International League operation in the Bronx. He admits that in his opinion it would be a desirable move, but he is not sure that the National League owners to overcome any objections to New York City, but at the same time it is of the opinion that no such action will be necessary.

Evidently Tener, Barrow and Hempstead are all playing more or less of a waiting game, hoping that Judge Landis's decision or some definite announcement as to the Federal League's scheme of placing the Kansas City franchise may smooth all of the existing difficulties between the National and International leagues.

"I can say positively," said President Tener, "that Harry N. Hempstead has been misunderstood entirely in his attitude toward an International League extension of the National League. He is a thorough sportsman, who would not quibble over personal interests on any question that seriously affected the health of organized baseball."

Wood, Steele and Murphy Dined

PORT JERVIS, Feb. 18.—Baseball fans to the number of one hundred tendered a banquet to Smokey Joe Wood of Boston, Bill Steele of the New Yorks and Eddie Murphy of the Athletics at the Hotel Mitchell here to-night. Mayor Frank Lybott presided and vaudeville entertainers furnished the entertainment.

Roller Elimination Race Planned

A special amateur roller skating race has been arranged for Madison Square Garden on March 10. It will be the final of a competition in which elimination heats will be held on rinks in various parts of the country beginning next Monday night at Johnston, Conn. A twenty-four hour team race will begin just after the sprint.

Notes and Gossip of the Diamond

According to John B. Foster, secretary of the Giants, Manager John J. McGraw is not so far from the truth as he is often represented. For several days John B. Foster has been in the city with his chief, but he has received no response to various cablegrams. It is just possible that McGraw is in New York or New Orleans. Evidently he has left Cuba.

Harry Sinclair's connection with the Federal League is explained at last. He is a crank on golf, football and all the other outdoor sports and pastimes. He is a graduate of the University of Kansas and one of the most enthusiastic of athletes that ever attempted that college.

Lee Magee says he hopes to have the Tip Top squad to about twenty-five men before the team starts March 1. It is understood that the Tip Top has been attempting a trade with Baltimore that will relieve him of some of his excess talent.

Harry Harper, Clark Griffith's southpaw phenom, and Jack Bentley, another Washington southpaw, have been traded to the Athletics. In return, Griffith has sent the Athletics to the Nationals. The Athletics have a good place for Charles's brother, who was named the champion slugger.

Billie Smith, veteran southpaw of the Athletics, is going to Cuba to train with the Cuban team, which is training in Havana. He will be back in New York in about a month.

Tom Whittington's addition to the Athletics has been a relief to the club. He is a good player and a good pitcher. He is a graduate of the University of Kansas and one of the most enthusiastic of athletes that ever attempted that college.

TOUCHARD BRILLIANT AND PELL FALLS EASY VICTIM

Playing Through. Indoor Tennis Champion Reaches Final, as Does Lovibond—Touchard-Washburn and Pell-Behr Doubles Finalists.

Gustave F. Touchard, playing through national indoor champion, showed much of his brilliant old time form yesterday in the semi-final round of the tournament for the national title at the Seventh Regiment armory, when he defeated Theodore R. Pell in straight sets at 6-3, 6-3. He will meet Arthur M. Lovibond, who defeated Bernson S. Prentice yesterday two sets to one at 6-4, 4-6, 6-2, for the title this afternoon at 2 o'clock. Touchard also will figure in the championship round of the doubles, for he and Watson M. Washburn came through the semi-finals at the expense of L. V. and H. W. Reimer, who they defeated in straight sets at 6-1, 6-2. Pell and Karl Behr are the other finalists in the doubles, which will be played on Monday morning at 10.30, they having beaten Julio M. Steinhilber and Lincoln Reimer yesterday, at 6-1, 3-6, 6-0.

The Touchard-Pell match was the feature of the day and there were quite a few who expected that the champion might have to step down in favor of the Florida title holder. Touchard was worth upon my team, but I would not go to get him. I have no reason to believe that Mack would part with him. If it is a case of dissatisfaction with his present base club, he would be prepared to bid as high as any one to save him to the game. However, I am speaking only at random. NEW YORKS IN ONLY 14 PRACTICE GAMES

Donovan's Policy Pursued—Six Meetings With Brooklyn and One With Cubs.

A short spring schedule, but a worthy one, has been provided Bill Donovan's New York Americans by Business Manager Harry Sparrow. In keeping with the manager's suggestion Sparrow, who had been handicapped by the very late sale of the club, was able to negotiate for games in cities that should enable the team to move northward from Savannah in easy jumps and at the same time provide competition of a class to give the major leaguers spry practice.

Here is the result of Sparrow's labors: the spring exhibition games in full: March 27, 28, 29 and 30, with the Brooklyn Nationals in Daytona, Fla.; 31, with the Savannah Braves in Savannah, Ga.; April 1, with the Norfolk Tides in Norfolk, Va.;
